--	-----------------------------------

**ORDER RECOGNIZING CHANGE IN OWNERSHIP OF COMPETITIVE NATURAL
GAS PROVIDER AND AMENDING CERTIFICATE
TO PROVIDE LARGE VOLUME SERVICE**

(Issued February 11, 2005)

On August 31, 2001, the Utilities Board (Board) issued an "Order Approving Application and Issuing Certificate to Provide Large Volume Service" to U.S. CoEnergy Services (U.S. CoEnergy). Certificate No. G-0003 was issued to U.S. CoEnergy concurrently with the August 31, 2001, order. On August 27, 2002, the Board issued an "Amended Certificate" recognizing the change in name of the certified competitive natural gas provider from U.S. CoEnergy to U.S. Oil Co., Inc. (U.S. Oil).

On January 21, 2005, Enbridge Gas Services (U.S.) Inc. (Enbridge) notified the Board that it had purchased the Energy Services Division of U.S. Oil, including the certificate to provide competitive natural gas service in Iowa. Enbridge indicates that the general contact information, including mailing address, and management personnel will remain the same as under U.S. Oil.

Enbridge is incorporated in the state of Delaware and is registered with the Iowa Secretary of State. Enbridge states that it will continue to serve only large volume customers in Iowa and it reaffirms the commitment to comply with all applicable conditions of certification and acknowledges that failure to comply with those applicable conditions may result in a revocation of the certificate to provide competitive natural gas service.

The Board by this order will recognize the change in corporate ownership of the competitive natural gas service provider in Iowa from U.S. Oil to Enbridge. Since the same management and personnel will continue to operate the company and Enbridge will only provide service to large volume customers, the Board will not require any additional information to approve the transfer of Certificate No. G-0003. Concurrently with the issuance of this order, the Board will issue an amended certificate to Enbridge to provide service to large volume customers. Enbridge will continue to be subject to the reporting requirements contained in 199 IAC 19.14(5)"c."

IT IS THEREFORE ORDERED:

1. The Board will amend Certificate No. G-0003 to reflect the change in the corporation certified to provide competitive natural gas services to large volume customers in Iowa from U.S. Oil Co., Inc., to Enbridge Gas Services (U.S.) Inc.

2. Enbridge Gas Services (U.S.) Inc. shall comply with the filing requirements of 199 IAC 19.14(5)"c."
